An Outward Clincher That Works!

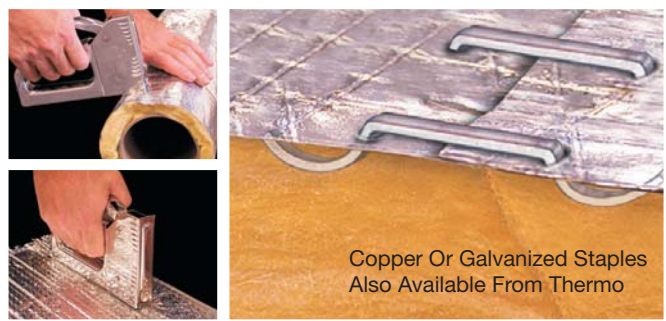

THERMO PowerFast

OUTWARD CLINCH STAPLEGUN

Outward Clinch... One Hard-drivin' Steel Shootin' Gun!

Knowledgeable HVAC pros are on the lookout for an outward clinch that works... (You've tried the rest). Our PowerFast Outward Clinch Staplegun is backed by a six-month warranty – *double the warranty of any other outward clincher*. Comes engineered with the same great features you've come to expect from PowerFast like...

Copper Or Galvanized Staples
Also Available From Thermo

- User-friendly, easy "gun clip" style loading
- Drives harder with 1/3 less effort
- A locking handle that doesn't waste staples
- Comfort grip handle for added protection
- Large grip hole... good for large hands or when wearing gloves
- Convenient status-at-a-glance window
- Contractor grade for a rugged, long tool life

Fastens fiberglass ductboard. Also great for fastening insulation around ductwork and pipes, shipping labels and tags on corrugated containers and more... **ORDER PART # 31400.**
