

HEXDALL® HANGER

PATENTED TOP MOUNT DUCT HANGER

For over 50 years Hexdall has served as the industry standard!

- **EASY TO INSTALL** – Just pierce and flip, insert and twist, then hammer into the joist. It's that simple!
- **QUICK** – It takes just seconds to install a hanger... and all you need is a hammer! No measuring, no straps, no extra tools... use nails only if you want added holding strength!
- **NEAT** – Hangers are top-mounted for a clean, professional looking installation.
- **STRONG** – *Positive Lock* Twisted Duct Hangers are made from 16 Gauge Galvanized Steel. They're built to last!

3/8" x 4"
Twisted Hanger

To get the Hexdall *Positive Lock* Twisted Duct Hanger for your next installation, see your nearest HVAC wholesaler.
