

THERMODAMPERS

Patented

TRIM TO YOUR SIZE

A custom fit solution to installing dampers on the job site.

Thermo-Dampers bring a professional touch to your ductwork installations. Quality units are made from galvanized steel and feature a locking handle. Whether your project is new or add-on construction, order Thermo-Dampers today... and give your installation “The Thermo Advantage.”

Available in standard 6” and 7” diameters.

- Pre-scored for easy resizing from 6” to 3”.
- Spin “barrel top” stud makes for easy threading.
- Stud is riveted – not welded – for a bond that won’t crack.

Product	ORDER #	SIZE	PCS/BOX
DAMPER w/HANDLE*	10006	6” DIAMETER*	100
DAMPER w/HANDLE*	10007	7” DIAMETER*	100

*Dampers can be trimmed to pre-marked diameters of 3”, 4”, 5” (or 6”) with Snips.
