

THERMOSADDLES™

Pat. Pending

HANG ROUND FLEX DUCT IN OPEN CEILINGS - PROFESSIONALLY!

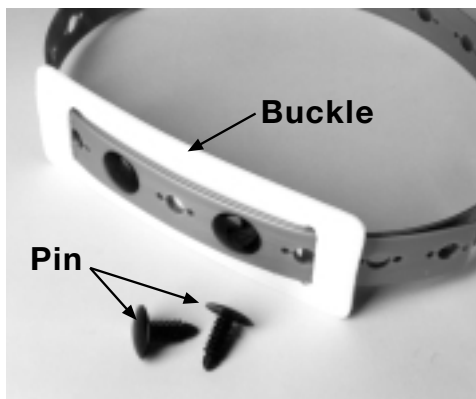

**Thermo presents...
the first complete flex duct hanging system**

FEATURES...

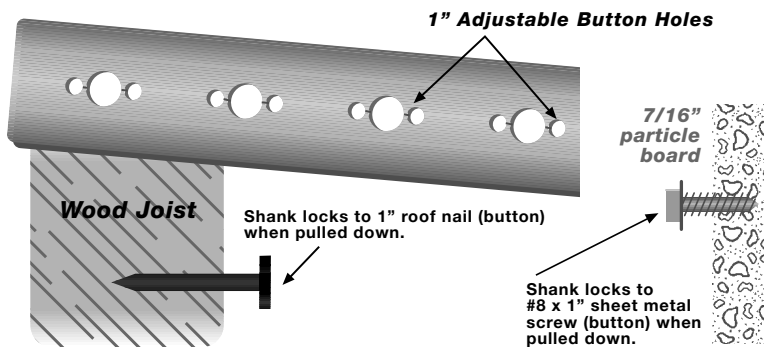

- *Eliminates pinching and compression of insulation, providing greater R-value and increased airflow.*
- *One size fits all - use individually or link together to fit any duct diameter.*

Optional products

Use Thermo-Buckles™ with 1" Button-Lok™ to make a tight, secure support! Simply slide the 1" Button-Lok™ into the buckle and adjust to the desired height. Then insert two self-locking Pins through the aligned Button-Lok™ holes. It's that easy!

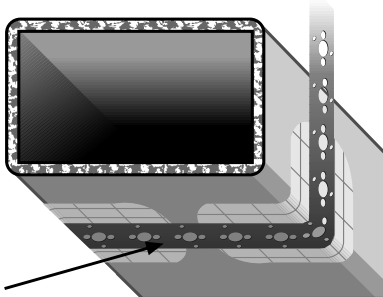

THERMOBUTTON-LOK (ORDER #10100)

Use Saddles, Buckles and Pins with Thermo Button-Lok™, for a complete installation system.

Link saddles together for larger duct application.

Also use Saddles with 2" Thermo Button-Lok™ as extra support for square ductboard.

(ORDER #10200)
