

# THERMO **SNAP-GRILLES**™

Patent Pending

FOR RETURN AIR FRAMES

It's literally a snap to give customers the Thermo Advantage when you make these attractive **Snap-Grilles™** a part of your HVAC installation. These sturdy precision-molded white ABS grilles are designed for use with standard 1/2" or 5/8" drywall. They snap-fit perfectly into our Thermo-Frames™ — whether used as a single (14"x 6") or as a double (30"x 6") placed side-by-side. **Snap-Grilles™** are yet another cost-effective, labor-saving addition to the THERMO family of HVAC products!
